A PASSION FOR PEOPLE

Our passion for people is at the heart of everything we do. It's the engine that keeps us ticking and inspires us to do our best. We're not satisfied unless we're making a real difference to people's lives, and we'll keep working hard to ensure we achieve the best outcome possible for you.

As an award-winning Top 60 UK law firm we provide the full range of services that you would expect to organisations, business leaders and individuals. We are entrepreneurial in our outlook so we're flexible and responsive to the needs of our clients, delivering the best outcomes for them. Clients value our honesty and our friendly approach.

We understand that we're a key part of our clients' lives whether personally or for business, so we truly partner our clients, and demonstrate our genuine commitment to them and what they're trying to achieve, in all that we do. We are pragmatic and don't 'sit on the fence' – clients have confidence in our advice because of our demonstrable experience and the relationships we build with them.

We've grown rapidly over recent years as we've continued to meet client demand. I'm proud of what we've achieved.

“ **A friendly firm which produces work of high quality and gets the job done.** ”

CHARITY AND COMMUNITY

We've supported the communities we work and live in, via charitable giving and social responsibility initiatives, for many years. The nature of the support that our communities value, has evolved over recent years, and so too has our approach.

We recognise that our social responsibility extends to doing all we can to reduce our impact on the climate and protect the environment, so we have committed to become a net carbon zero business by 2040.

Our passion for the environment is also seen as 'boots on the ground' support for causes that matter to the people around us. For example, in spring 2022 we helped Cheltenham's National Star College by planting 200 saplings as part of the college's commitment to sustainability. The saplings are in a space used for therapeutic activities and learning. Also in 2022, we prepared a raised planter for a disabled adult who can now make full use of the Ross Community Garden to grow a variety of flowers and vegetables.

We have included social value measures in our public sector bids, committing, for example, to create recruitment and career progression opportunities via apprenticeships and other routes, for staff.

We continue to provide donations to charities in the communities local to our ten offices.

Chariots of Fire

This Cambridge event raises over £50,000 every year for the official charity partner. In a typical year 2,500 runners – both athletes and amblers – compete alongside each other in a 1.7 mile relay race.

Chariots of Fire has raised over £1.48 million for a variety of regional charities since it began in 1992.

HCR clock up miles and plant trees

Throughout May 2022 and the Jubilee weekend, HCR took on the collective challenge of covering 70 lengths of Great Britain. With every seven lengths covered, the firm secured one tree (or set of saplings) to plant, in honour of the national Queen's Green Canopy initiative.

Staff took part in the challenge by walking, running, cycling, rowing, and swimming, and achieved an impressive 71,722 miles – the equivalent of 82 lengths of Great Britain!

Backing for defence community wins gold award for HCR

Outstanding support and commitment to defence and the armed forces community, including former members of the armed forces and serving members' families, has won Harrison Clark Rickerbys the highest possible award in the Ministry of Defence's Employer Recognition Scheme.

WHERE WE WORK

Our roots go back to the 1700's and our growth has always been in response to client demand. With ten bases in England and Wales our well-established presence stretches from west to east, ensuring clients can access a full-service legal offering no matter where they're located.

Over the last year we've relocated our Birmingham and Cardiff teams to prime city-centre offices, meaning we're even more accessible for clients. We have also opened a new Central England office in Northampton. Investment in this office demonstrates our commitment to the area and will enhance our position as the leading law firm in the region. We continue to organically grow our international HQ in London.

With solid connections in the communities we work in, and a track record of delivering legal advice to businesses and individuals throughout the areas we base ourselves in, we are continuing to meet our clients' needs.

A world of expertise

Our international HQ is in London and operates a service from six hubs across the world where our relationships with the people and institutions that might affect you are tried and tested. Our legal, commercial and government connections within the six hubs are extensive and deep – some of our team live overseas, and we work with other individuals that we've personally known for decades. Beyond the hubs, our trusted network reaches across 80 countries, enabling us to help you run and grow your business almost anywhere in the world.

HCR is also able to make use of 2,035 overseas lawyers in 30 different countries through our membership of Law Exchange International (LEI). LEI was founded in 1994 by one of HCR's predecessor firms. The network is complementary to HCR's six overseas hubs, and enables us to obtain reliable and cost-effective advice from lawyers we trust, from Belgium to Brazil and from Turkey to Texas.

SERVICES FOR INDIVIDUALS

For the Moments That Matter

STARTING A RELATIONSHIP

A happy and exciting time. But protecting yourself and your assets is important whether you're entering your first serious relationship or you're moving forward with someone new.

A living together agreement or pre-nuptial agreement can help save stress and legal costs if unfortunately, your relationship ends and you need to divide your assets later down the line.

MEDICAL NEGLIGENCE AND PERSONAL INJURY

An accident, injury or issue with the provision of healthcare can change your life, and the lives of your loved ones. Sometimes compensation, and an admission of wrong doing, can help people move forward. Our personal injury and clinical negligence lawyers won't just claim on your behalf but will help you plan for the future.

BUYING AND SELLING YOUR HOME

Our residential conveyancing team is here to help you with every step when buying or selling your home. Communicating well and delivering the best possible service are what drive us; we'll keep you updated throughout the transaction whether you're looking to buy, sell, mortgage or transfer your property.

CHILDREN

Our children are our top priority and it's important to do what's best for them if a relationship breaks down or a family dispute happens. We work with families of all kinds, focussing on children's needs and giving parents the best advice and support for their family life.

We also act for children, giving them a voice in court proceedings, ensuring they can be safe and well.

MAKING A WILL

We take time to sit down with you, understand your life and your circumstances, and your thoughts on tomorrow, so you make a will that truly reflects your wishes and will protect your loved ones.

RELATIONSHIP BREAKDOWN

When a relationship breaks down, emotions can run high and disputes often spiral out of control. We're one of the UK's biggest and most experienced family law teams, and can advise on issues affecting every kind of family – including divorce, matters involving children, wealth protection and international family law.

DIRECTORS' DUTIES

As a company director, we can advise you on protecting yourself where there is a risk of insolvency proceedings, and can defend you if you face disqualification, to ensure you are able to continue to act as a director. We're proactive and pragmatic when it comes to directors' issues; we tell it like it is. We look for solutions; our efficient and supportive approach focuses on minimising your exposure.

PRIVATE WEALTH

When you've worked hard to grow your personal wealth it's important to have advisors that can help you protect and manage it effectively, and ensure it is passed on through generations or dealt with as decided by you. Our experts work with private individuals and family offices, to help you get the most from your assets, now and in the future.

We work with individuals, high net worth individuals, family offices, multi-family offices, trustees, executives, land owners and business owner-managers.

WHEN SOMEONE DIES

Acting for executors and family members, we ensure that estates are administered correctly, providing advice on inheritance tax, intestacy and grants of representation. We can help to wind up the affairs of the deceased in a compassionate and stress-free way.

SETTING UP A TRUST

Minimise tax liabilities, protect a family business, keep control of your assets and make charitable donations. Our team of wills, trusts and estates lawyers have considerable experience when it comes to setting up and administering trusts, both for individuals and charities, and can act as professional trustees if required.

OLDER AND VULNERABLE CLIENTS

Age, disability or injury can cause serious difficulties for people, their families and carers, and the legislation around health and care support services is constantly shifting. We have years of expertise in this area, so whether you need help with assessing capacity or with financial concerns, we make the process as smooth and simple as possible.

CONTESTING A WILL

When someone dies, the last thing you need is an argument. If you find yourself in this position, perhaps where you feel you've been treated unfairly as a beneficiary, or you're concerned about the management of a loved one's estate, we'll provide practical, sound advice to help you move forward.
